

Dear [REDACTED] Farm,

Please accept this small gift as a thank you. We have really enjoyed our walks through your land which you maintain very well for the benefit of others.

We haven't walked for a while as we now have a puppy but she is getting to the stage where she should be able to do the loop in the New Year.

We hope you have a great Christmas and prosperous New Year.

Best wishes

Cliff & Gay (the lockdown walkers!)
